COUNCIL AGENDA: May 24, 2005

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: Jarb Thaipejr, Public Works Director/City Engineer 

SUBJECT: Supplemental Appropriation Of \$60,000 For Engineering Inspections

RECOMMENDATION

It is recommended that the City Council approve a supplemental appropriation of \$60,000 from reserves into account nos. 01-3100-1820 – Professional Services for Public Works Engineering Inspections.

BACKGROUND

The City of Loma Linda has a contract with Willdan Associates to perform Public Works Inspections for residential subdivisions. The City has had substantial growth recently, specifically in residential development, and inspections have increased. There are currently eight residential subdivisions under construction.

ANALYSIS

These expenditures were unanticipated; therefore, the City is requesting to increase funding for Engineering Inspections services by \$60,000 to cover inspection cost for the remainder of the fiscal year.

The costs for inspection services will be reimbursed through permit fees.

ENVIRONMENTAL

Not applicable.

FINANCIAL IMPACT

Appropriate \$60,000 into Account No. 01-3100-1820, Professional Services.
